Note to Chinese travelers in South Korea: you have two star guides - Gao Yuanyuan and Li Guangjie.

The Chinese stars have joined their Korean counterparts in making a short film, which is being produced by South Korea's tourism authorities as part of the "Get to Know South Korea" program, Sina.com.cn reports.

Gao and Li play a traveling couple from China who explore the culture of dining, shopping and traveling in South Korea.

Korean authorities believe the star-studded commercial film is an innovative way of introducing local culture.

The film is to be screened on Chinese television at the end of this month.
